

Leventhorpe **CANSAT**

SPONSORED SILENCE

01/12/2021 - 02/12/2021

Some of Leventhorpe's CanSat team are taking part in a 48 hour sponsored silence in order to raise money for the team.

CanSat is a national competition that lets GCSE students build and launch functioning satellites the size of a soft drinks can.

Our aim is to raise £400 in order to buy all of the equipment to build our satellite.

Anything raised over £400 will be split between Scope, a charity for disability equality and Beat, a charity supporting those recovering from Eating Disorders.
